About me

Hard-working, quick leaner. With little experience but a huge desire to apply my theoretical skills in practice, I want to work as a front-end web developer. I am ready to take on challenges on a real project.

Education

09.2012 - 02.2018

Yaroslav Mudryi National Law University

Faculty of Public Law and Administration, Kharkiv
Master of Laws, diploma with honors

03.2021 - present

Codecademy

Web Development Student.
- Learned HTML   - Learned Sass
- Learned CSS   - Learned Bootstrap
- Built a Website with HTML, CSS, and Github Pages

Currently, I am taking a JavaScript course.

Experience

05.2021 - present

Front-end Web Developer// Freelance, Kyiv

- Converted Photoshop/Figma layouts to web pages using HTML, CSS.
- Ensured projects meet the industry standards (responsiveness, accessibility).
- Interpreted and executed designs correctly as requested by clients.
- Recommended design and technical solutions to clients.
- Maintained and improved web applications.

03.2020 - 03.2020

Lawyer // Private Law company

Communication with customers and conducting legal consultations.
Preparation of procedural documents in civil, administrative and commercial cases

05.2018 - 03.2020

Secretary of court sessions // Kharkiv District administrative court

Conducting work of court secretary. Writing draft orders for commencement of proceedings and leaving claims without action. Writing draft decisions on tax and retirement cases.
